TAFISA President

Dear Friends,

What a joy to once again meet and welcome you to the **2nd TAFISA European Sport for All Games 2022 in Perugia and Umbria, Italy!**

The TAFISA Games have in the past years developed to become a formidable event that bridges tradition and modernity, and celebrates diversity and European values like no other. From 23 to 29 September, delegations from all over Europe will meet and engage with visitors, young and old alike, to re-discover and practice Traditional Sports and Games. From the Irish Gaelic Games to the Italian Lancio del Ruzzolone, from Georgian martial arts to the French Rouleurs de Barriques, participants will have the chance to immerse themselves in numerous European cultures.

The Games will this year be devoted to Peace, Solidarity and Common Understanding, in a world that has tremendously changed since our last event. TAFISA and FIGeST unite themselves at this occasion and invite you to join us and celebrate the values of Sport for All and Traditional Sports and Games in order to create, together, a better world.

I and the entire TAFISA Board of Directors look forward to seeing you soon in Perugia. Our gratitude goes to FIGeST for hosting the event, as well as to the dozens of volunteers who are making it possible.

Wolfgang Baumann

GLOBAL RELAY FROM EAST TO WEST

The TAFISA World Walking Day - 24 Hours Around the Globe will take place on **Sunday 2 October 2022 from 10am local time**, creating a wave across the world from East to West and covering all 24 time zones.

The event aims to build bridges and connections between people. Beyond a simple event, it provides a platform for sharing causes and values important to you, and shows that the Sport for All Movement stands together and united to create a better world. This year, TAFISA will strive to promote **peace and solidarity**, bringing participants together to foster harmony, friendship, and build bridges between groups, communities and nations.

Join us, choose your activity (it can be walking, cycling, horse riding, canoeing, climbing, any sport you want!) and pass the baton for a cause that is close to your heart! By sharing the videos and pictures of passing the baton, you can contribute to the team effort to help connect the world through a planet-wide relay!
